Michael, We will investigate this on our simulator and revert back. Jeffrey

Michael 22-04-2024

Were you able to replicate this your side?

Regards

Michael

Jeffrey 28-04-2024

Michael, Are you available for remote session on the Friday 03rd May? Duration 1 hour.

Michael, 28-04-2024

Jeffrey, I am out of office that day - I can arrange a remote session without me but I would prefer to be on site if thats ok.

Can I suggest Friday the 10th or 17th - I would be available on both

Regards

Michael

Jeffrey 30-04-2024

Schedule 1 hour 17th May at 11:00 GMT time.

Regards
