Support, any updates on this ticket as yet?

Michael 28-04-2024

As an intermediary step - I have created a placard - see below until resolved.  
See placard on the next page.

## GARMIN G1000

PLEASE NOTE THAT THERE IS CURRENTLY  
NO EGNOS ON THE IOS BUT THERE  
IS ON THE G1000

IT IS CURRENTLY BEING INVESTIGATED.
