

TICKET #IE314_182

There are no stop bars at EICK taxiway F.

Alsim - Although I am aware this is not a requirement for an FNPT II Simulator, the heavy usage of this taxiway would benefit AFTA and we would appreciate it if this could be incorporated into the MAP system

Michael, as noted, this is not a requirement. I will look into this and see if this can be done and if they maybe any charges incurred. Jeffrey
