

TICKET #IE314_190

A placard containing emergency contact numbers is installed in the FSTD however following contact with external emergency services it is not clear how to contact the duty instructor should coordination with the emergency services be required.

Please see updated Contact sheet for all Simulators,

Note: A new number has been created that will call “Multiple” management staff at the same time until one of them answers.

Mark Casey, Operations, Phillip Smythe, Dan Lynch

See contact list on the next page.

Michael
